Its been a 3rd month journey for me in MSR with great experience, fun and good play which motivated me to continue further my play with MSR. I have never met a court owner like Mr. Magesh as he is such a great humankind person with great attitude. He used to encourage and give health advise to the members without hesitation. It's again a wonderful place where you can feel a good atmosphere, well organized courts and like a home. Come and enjoy your play... Vanga Vilayadalam..
